## **RE: A Message on the Coronavirus (COVID-19)**

Our clients, employees, their families and community are our first priority, and accordingly, we wanted to update you on our response to the COVID-19 pandemic.

At the present time, Reich & Furst Law Offices will remain accessible to the public and our clients **by email or telephone communication only** during normal business hours. Email or telephone communication will be our preferred mode of conducting business during this global crisis. We will remain fully operational, serving new and existing clients remotely, via phone, email and virtual meetings where possible.

We also will be appearing for any Court commitments that are not postponed or that are necessary due to their specific emergency nature. Please do not assume that your matter has been continued unless or until you hear directly from our office.

Thank you in advance for your patience and understanding, and may you and your family remain safe and healthy during this difficult time.

Sincerely Yours,

**Carolyn, Jim & Sydney**
